Shenandoah Nurseries

D. S. LAKE, President

Shenandoah, : : Iowa

❧ For Your Information ❧

To those who are not acquainted with our concern, would say that this business was established in 1870 and is still under the same management.

We are located in Southwestern Iowa, fifty miles southeast of Omaha Nebraska. The soil here is especially adapted to the growing of a general line of nursery stock. The railroad facilities are excellent. We are on the Wabash; Chicago, Burlington and Quincy; Keokuk and Western Railroads, which give us good service. We take pleasure in showing visitors over our grounds at any time.

TERMS OF SALE

Shipping—With the exception of Evergreens and some heavy shade trees we are in position to ship assorted orders all through the winter, and can, as a rule, get refrigerator service, although we do not guarantee this. Can begin to dig trees in this latitude usually about March 10. Parties ordering goods should indicate whether they wish them sent by freight, express or parcel post, also route. In the absence of these instructions, we forward them to be best of our judgment, but in no case will we assume responsibility after consignment to purchaser. When losses occur by delays or other causes of whatever nature while goods are in transit, make claim AT ONCE on the forwarding companies. All shipments travel at the risk and cost of the purchaser.

Terms—Cash or security before shipment of goods, except with established firms, when, if unknown to us, satisfactory references will be required before goods are forwarded. Orders to be sent C. O. D. should be accompanied by one-fourth cash.

Prices—Are limited to Spring 1919 and supercede all previous quotations on stock herein listed and are subject to change without notice.

Caution—We accept all orders on condition that they shall be void should any injury befall stock from frost, fire, hail, storms or other causes over which we have no control. Also all imported stock is sold subject to arrival without engagement, and subject to war conditions.

Claims—For any cause will receive consideration only when made within ten days after arrival of goods. In no case will we entertain claims made after the goods have been once accepted.

Packing—Prices contained herein are net; cost of boxing and baling will be added, except on grafts, which are boxed free.

Grades—We grade carefully; in some cases by caliper, in others by height. When graded by both caliper and height, the caliper must govern.

Certificate of Inspection—Will be furnished with each shipment.

Guarantee of Genuineness—If any nursery stock, etc., proves untrue to description under which it was sold, we hold ourselves in readiness on proper proof, to replace all such nursery stock, etc., that may prove otherwise, or refund the amount paid, but we shall in no case be liable for any sum greater than the amount originally received for said nursery stock.

EVERGREENS— Transplanted

All our evergreens are transplanted, most of them several times. This gives them a fine root system. Every order is dug fresh and the roots puddled, unless ordered B. & B. Where varieties are marked B. & B; the price includes balling and burlapping. We recommend digging with ball of earth and burlapping. For this the additional charge is as follows:

Special Notice

We wish customers when ordering would state if they wish us to send only what we can supply true to variety and grade ordered or in case we cannot do the grade or variety wanted, if we shall send nearest size available or substitute to the best of our judgment. This will save time and correspondence.

Please order in multiples of ten, as this will save much work and enable us to give better service.

Keep your wants covered closely.

Have your stock shipped early.

Your orders will be appreciated.

Thank you.
